

Scott and Carolyn Pouncey first came to Romania in 2004 as chaperones for their church youth group. The Lord continued to bring them back every year until they moved to Romania permanently in 2008. Having raised three daughters of their own, they knew the struggles young women have preparing to live independently. Girls who come from an orphanage setting or from a disadvantaged family are even less prepared to face those struggles.

Randy and Tammy Moss have been to Romania every year since 2011 and will now be making their home in Romania. They'll serve as full-time Apartment Parents/Mentors alongside Scott and Carolyn Pouncey.

This will provide additional resources so the ministry will be able to serve more young women.

A Place Where Hope is Rekindled

*Trust in the LORD forever, for the LORD,
the LORD himself, is the Rock eternal.*

Isaiah 26:4

THE PROGRAM

Transitional living is for girls who have aged out of an orphanage or who come from a disadvantaged home environment but are not ready to live on their own.

We provide exposure to healthy marital and family relationships. Our goal is to provide the girls with an apartment while they are in school. Once they are in the work force, we work with them to learn to live on their own and not to rely on us for financial support.

We will always try to be there for spiritual, social, and emotional guidance even after they leave the ministry.

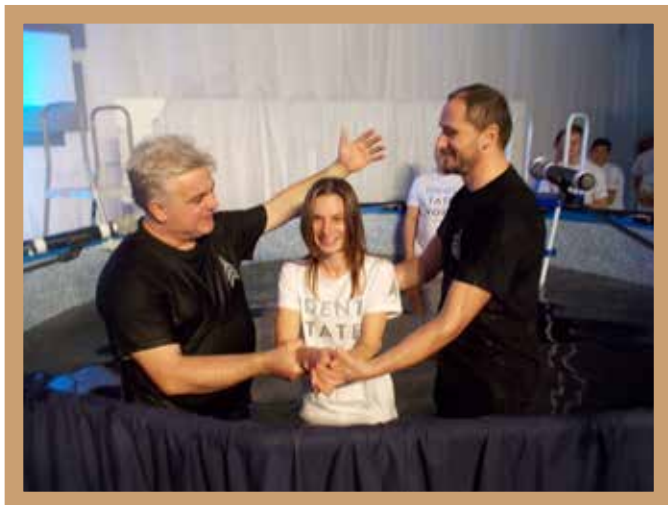

“

The girls are sent from the Lord. They come from various backgrounds, some from even very bad situations where they did not have many other choices.

The girls will live with us until they decide they want to leave or until they are ready to live independently.

”

LIFE IN THE APARTMENT

The girls are either going to the university, learning a skill or a trade, or are working or looking for work.

We help the girls learn daily living skills such as budgeting money, making good decisions, how to live and socialize within a family, finding and keeping a job, and many more.

Religion that God our Father accepts as pure and faultless is this: to look after orphans and widows in their distress and to keep oneself from being polluted by the world.

James 1:27
